Please contact WindsorSterling at 1-888-858-8551, 24 hours a day, seven days a week, for additional information. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about WindsorSterling network pharmacies in your area, please visit our website at www.WindsorSterlingPlans.com or call our Customer Service at 1-888-858-8551, 24 hours a day, seven days a week. Introduction

This booklet provides a list of WindsorSterling’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and WindsorSterling’s formulary. If you have additional questions, please call our Customer Service at 1-888-858-8551, 24 hours a day, seven days a week. TTY/TDD users should call 711. Or, visit www.WindsorSterlingPlans.com.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by WindsorSterling. In most cases, your prescriptions are covered under WindsorSterling only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Preferred pharmacies are pharmacies in our network in which our Plan has negotiated lower cost-sharing for its plan members for covered prescription drugs than at non-preferred pharmacies. However, you will still have access to lower drug prices at non-preferred pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs. The only preferred pharmacy in the network is for mail order prescription drugs which offers you a lower cost share than if you use a non-preferred mail order pharmacy.

WindsorSterling’s Network Pharmacies

How do I find a WindsorSterling network pharmacy in my area?

To find a pharmacy near you in the pharmacy directory, you should first locate the type of pharmacy you need. The four types of pharmacies include: retail, long-term care, home infusion, and Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) where available. We have also included our mail order pharmacies. The directory is arranged in alphabetical order by county, city, and pharmacy name. We have indicated if the pharmacy:

- is open 24 hours (Open 24 hours)
- accepts 90-day supply maintenance prescriptions (90-day supply available)
- accepts electronic prescribing (E)
- is a preferred mail order pharmacy (p)

If you have additional questions, you can visit our website at www.WindsorSterlingPlans.com, or call our Customer Service at 1-888-858-8551, 24 hours a day, seven days a week. TTY/TDD users should call 711.
